Dear Parents,

As we successfully conclude our 50th Anniversary Season, we are pleased to offer special **2019 Early Bird Prices** on all our camp programs. **Register during Early Bird Registration and save up to \$250.** Take advantage of this excellent opportunity to save during this **Early Bird Registration, which ends on September 30th.** All prices for all camp programs will increase on October 1st.

The 2019 Camp Season begins on July 8th and ends on August 16th. We introduced several new and exciting programs in 2018, which will continue next summer. Our new Tween program for our campers in grades 5, 6 and 7 attracted many new campers. **The 2019 Tween Program** will include 18 days spent at camp with Tweens participating in swimming, sports activities, GaGa, option and art. There will be 8 day trips and two 2 -day overnights to Hershey/Lancaster and Broadway/Hurricane Harbor (overnight in a New Jersey hotel).**

The Teen Travel Program will include a new 2-day overnight to the Jersey Shore and Great Adventure, a new 3-day Pennsylvania Getaway to Dorney Park, Hershey Park and Whitewater Rafting, and a 4-day Canada Adventure to Niagara Falls and Toronto.

In 2019, we will continue to offer a **Grade 3 and 4 No Trip Program** for those campers who want to remain in camp everyday and enjoy traditional camping activities including 2 daily swimming periods (instructional and free), sports activities, GaGa, option periods, music, art, dance, color war and special theme day events. Additionally, our Mini Day 3 day Program may select any 3 days of the week to attend. We know these programs provided our Camp Apollo families more choices and flexibility.
