Dear Parents of the Teen Group

Your child will be going on a four day, three night, overnight trip to Niagara Falls and Toronto Canada. The camp staff cannot dispense any medication without a doctor's instructions.

If your child will need any medication, including anything over the counter (aspirin, Tylenol, Dramamine, Maalox etc.), please have your physician fill out this form for each medication. Please ensure dosage and time of usage is included (i.e. every 4 hours). Even over the counter medication MUST have instructions by your doctor.

If you have already submitted the form for Consent for Administration for Specific Medications, it is not necessary to complete this form again.
