Dear Camp Apollo Parent(s)/Guardian(s), and Staff

The Board of Directors and the Camp Directors continue to hope this letter finds you and your family safe and healthy. Although there has been encouraging news about a vaccine for Covid-19, we are not in a position to make an informed decision about the 2021 Camp Apollo Summer Season.

We continue to anticipate a 2021 camp season. However, we ask that you be patient. There will be an updated letter before the end of February, 2021. By then we are hopeful there will be more information, recommendations, and guidelines from the CDC, the Governor, New York State and Nassau County Health Departments for camps. In the event there is any additional information before February we will keep you apprised.

Please continue to be safe and well. If you have any questions, please do not hesitate to contact us at 516-938-2670 or email us at campapollo@verizon.net.

Sincerely,
The Board of Directors
